Tom -

Believe we have been in contact with Rebecca Sugerman about NDAs for =  
some time now.

I agree that NDAs are not a prerequisite to holding a scoping mtg as =  
described in the AOC/SOW.

I would offer that our conversations, as well as our ability to be as =  
transparent as we want to be, during these meetings are greatly enhanced =  
by NDAs similar to what EPA has already signed for the Tank Upgrade =  
Study.

Sorry for the confusion and perceived late delivery of this info. Will =  
ensure our collective attorneys have this squared away.

Looking forward to productive mtgs this week.

Thanks. R/ Dean

Dean,

To me it is unacceptable to receive a non-disclosure agreement that we =  
are being asked to sign at 10pm on Friday before a Monday morning call. =  
The obligation to hold a scoping meeting is not conditional on such an =
